**Letter of Intent: FAA Exemption No. 18685; Reg Docket No. FAA-2020-0694**

To Whom It May Concern,

The purpose of this letter is to notify the Federal Aviation Administration that RLV Industries, Inc., holder of Part 119 Certificate Number R5VA538Y, conducting operations under Part 135, intends to exercise the relief granted under FAA Exemption No. 18685, Regulatory Docket No. FAA-2020-0694.

RLV Industries, Inc. also hereby affirms our intent to act consistently with the conditions and limitations of this exemption. This exemption would be applicable to all Check Airman assigned to RLV Industries Inc.'s Part 135 Air Carrier Certificate.

Consistent with the policy, RLV Industries, Inc. will provide our assigned Principal Operations Inspector a safety analysis, to include corresponding risk mitigations to be implemented, along with our request for authorization of Exemption 18685 in Operations Specification A005.

Should you have any questions or need any further information please contact me at (401) 466-2000.

Sincerely,

Ryan Gauthier  
Director of Operations
